CLASS of '53

Karen Ramhorst
Secretary

As the Seniors of 1953 look back on their last year, they recall many enjoyable activities in which they have participated. They see many happy memories which will never be forgotten. Led by Pat Fitzgerald, President; Folke Nyberg, Vice-President; Karen Ramhorst, Secretary; Sharron Welsch, Treasurer; Kay Peck, Susie Rindler, and Delores Kirkpatrick, Student Council Representatives; Edna Harrison, Senior Class TOTEM Reporter; Barbara Wilson, Senior Student Council TOTEM Reporter; and Miss Williams, Faculty Advisor, the Senior Class has experienced the most enjoyable of all Senior years.

At the beginning of the school year West Seattle was invited to a dance held after school. All decorations, programs, and finances were handled by the efficient Seniors. An important item in any Senior's last year is the week when he is King and reigns supreme, such was Senior Week. Each Senior was made to feel the most important person in all the school. Each day followed in line with the central theme, Senior Circus. Tags were distributed, teachers honored, a Senior luncheon, Seniority Day, Pig Tail and Bow Tie Day, and Senior Dress-Up Day with the Senior assembly, Banquet, and Senior Play. At Christmas time and Valentine's Day the Seniors expressed their appreciation to the teachers with special handmade cards. In the early Spring the choosing of caps and gowns, and announcements was the important item in the life of the Lincoln Senior. For the first time a Spring Dress-Up Day was held.

For the end of a perfect year, the Senior Prom, Commencement and Cruise concluded the activities of the Senior Class of 1953.

 CADWELL, CLARK

On their way to commencement, Barb Kimbrough, Bill Meister, Roger Lennon, Shirley Tarbox, and Fred Wright.

Hey Susie! Can't you think of anything to write?

SENIOR BANQUET

Everyone attending the Senior Banquet, under George Eastman's chairmanship, enjoyed the delicious food and fine entertainment which preceded the Senior Play. The Banquet was a great success and a grand climax to an auspicious Senior Week.

SENIOR PROM

The Friday before Commencement, June 5, was the date of Senior Prom for the Class of '53. Sharron Welsch and her committee planned a fine evening of dancing at the Palladium for the Senior Class and their guests.

SENIOR COMMENCEMENT

The Lincoln Senior Class of 1953 graduated with the impressive ceremony which marks the commencement of all classes. On the evening of June 8, the boys in blue robes and the girls in white entered the Civic Auditorium to conclude four memorable years at Lincoln.

SENIOR WEEK

The Seniors transformed Lincoln into a three ring circus during their week from December 1 to 5. With the theme "Senior Circus" they reigned with such merriment as a side show, baby picture contest, pigtailed and bow ties, shoe shines by Juniors, and an after-school dance.

Wednesday was "Seniority Day" and found Sophomores and Juniors scurrying about obeying the commands of the Seniors. On Friday, "Dress-Up Day" the Seniors adorned in their "Sunday Best" attended a special assembly in the morning and the traditional banquet and play in the evening. Sharon Coleman and Peggy Keller were co-chairmen of the eventful week.

SENIOR CRUISE

The Senior Class of 1953 held their annual Senior Cruise on the evening of June 9, the day following commencement. This final gathering of the Senior Class was spent cruising the waters in and around Seattle on the Virginia V.

Dear Claudia,
This past year has been just
tons of fun, but our best is
yet to come. I won't forget the
times you were so sweet in taking
me to the games. Have fun this
summer. Love,
CLASS of '54
Joan Chatalas

Dear Claudia,
Just think next
year we will be seniors -
a happy day. Have a sandy
time this summer and at
riding. Be seeing you

Come one, come all to the gigantic Jamboree Dance
sponsored by the Junior Class of Lincoln High.

This was the first introduction of the activities of
the class of '54. Since then the Juniors have sponsored
the Senior Banquet, Junior Day, the Christmas Dance,
the distribution of Valentines to teachers, and the
organization of a scrap book consisting of many baby
pictures.

The Juniors were ably headed by Joan Chatalas,
President; Pete Mansfield, Vice President; Carol
Olson, Secretary; Marilyn Daniels, Totem Reporter;
Reed Bement and Jo Ann Price, Student Council Rep-
resentatives.

Mr. A. P. Johnson, class advisor, led the Juniors
through a successful year.

CLASS of '55

Jim R. Thompson

Betty Mortenson

Shari Schalo

Dawn Lawrence

Starry-eyed Sophomores--some nine hundred of them--proved to be a valuable asset to the Lincoln Student Body.

Election of the class officers got off to a slow start because of the problem of combining the distinct groups from Hamilton and Jane Addams, Junior High Schools. But it wasn't long before a class unit was formed. The officers chosen were: Doris Barnett, President; Jim Thompson, Vice President; Betty Mortenson, Secretary; Shari Schalo, Student Council Representative; and Dawn Lawrence, Totem Reporter.

With enthusiastic spirits, the class sponsored a Carnival and Dance December 10, and the traditional Sophomore Talent Show. Besides their own activities the class also joined in other school organizations like signing up for Boys' and Girls' Club committees. The able supervision of Mrs. Eleanor Snodgrass helped to make the class activities a huge success.

Dear Claudia:

Here wishing The MEN Fall At your Feet AND The women
 All envy you. MAY All your Raindrops be Alcohol, AND
 hence a pot of Gold At the end of every Alcoholic
 Rainbow. For NO ONE deserves it half as much as
 you. Well even though its only A DREAM it WAS worth
 The Time AND it WAS Fun while it lasted. Best of
 luck To you always. Love
 Bonnie Stora

Dear Claudia,

I don't know you to
 well but I truly say
 I want to wish you
 the best of luck in
 the future years.

Have fun this summer.

Good Luck,

Carlene Thurman

ACTIVITIES

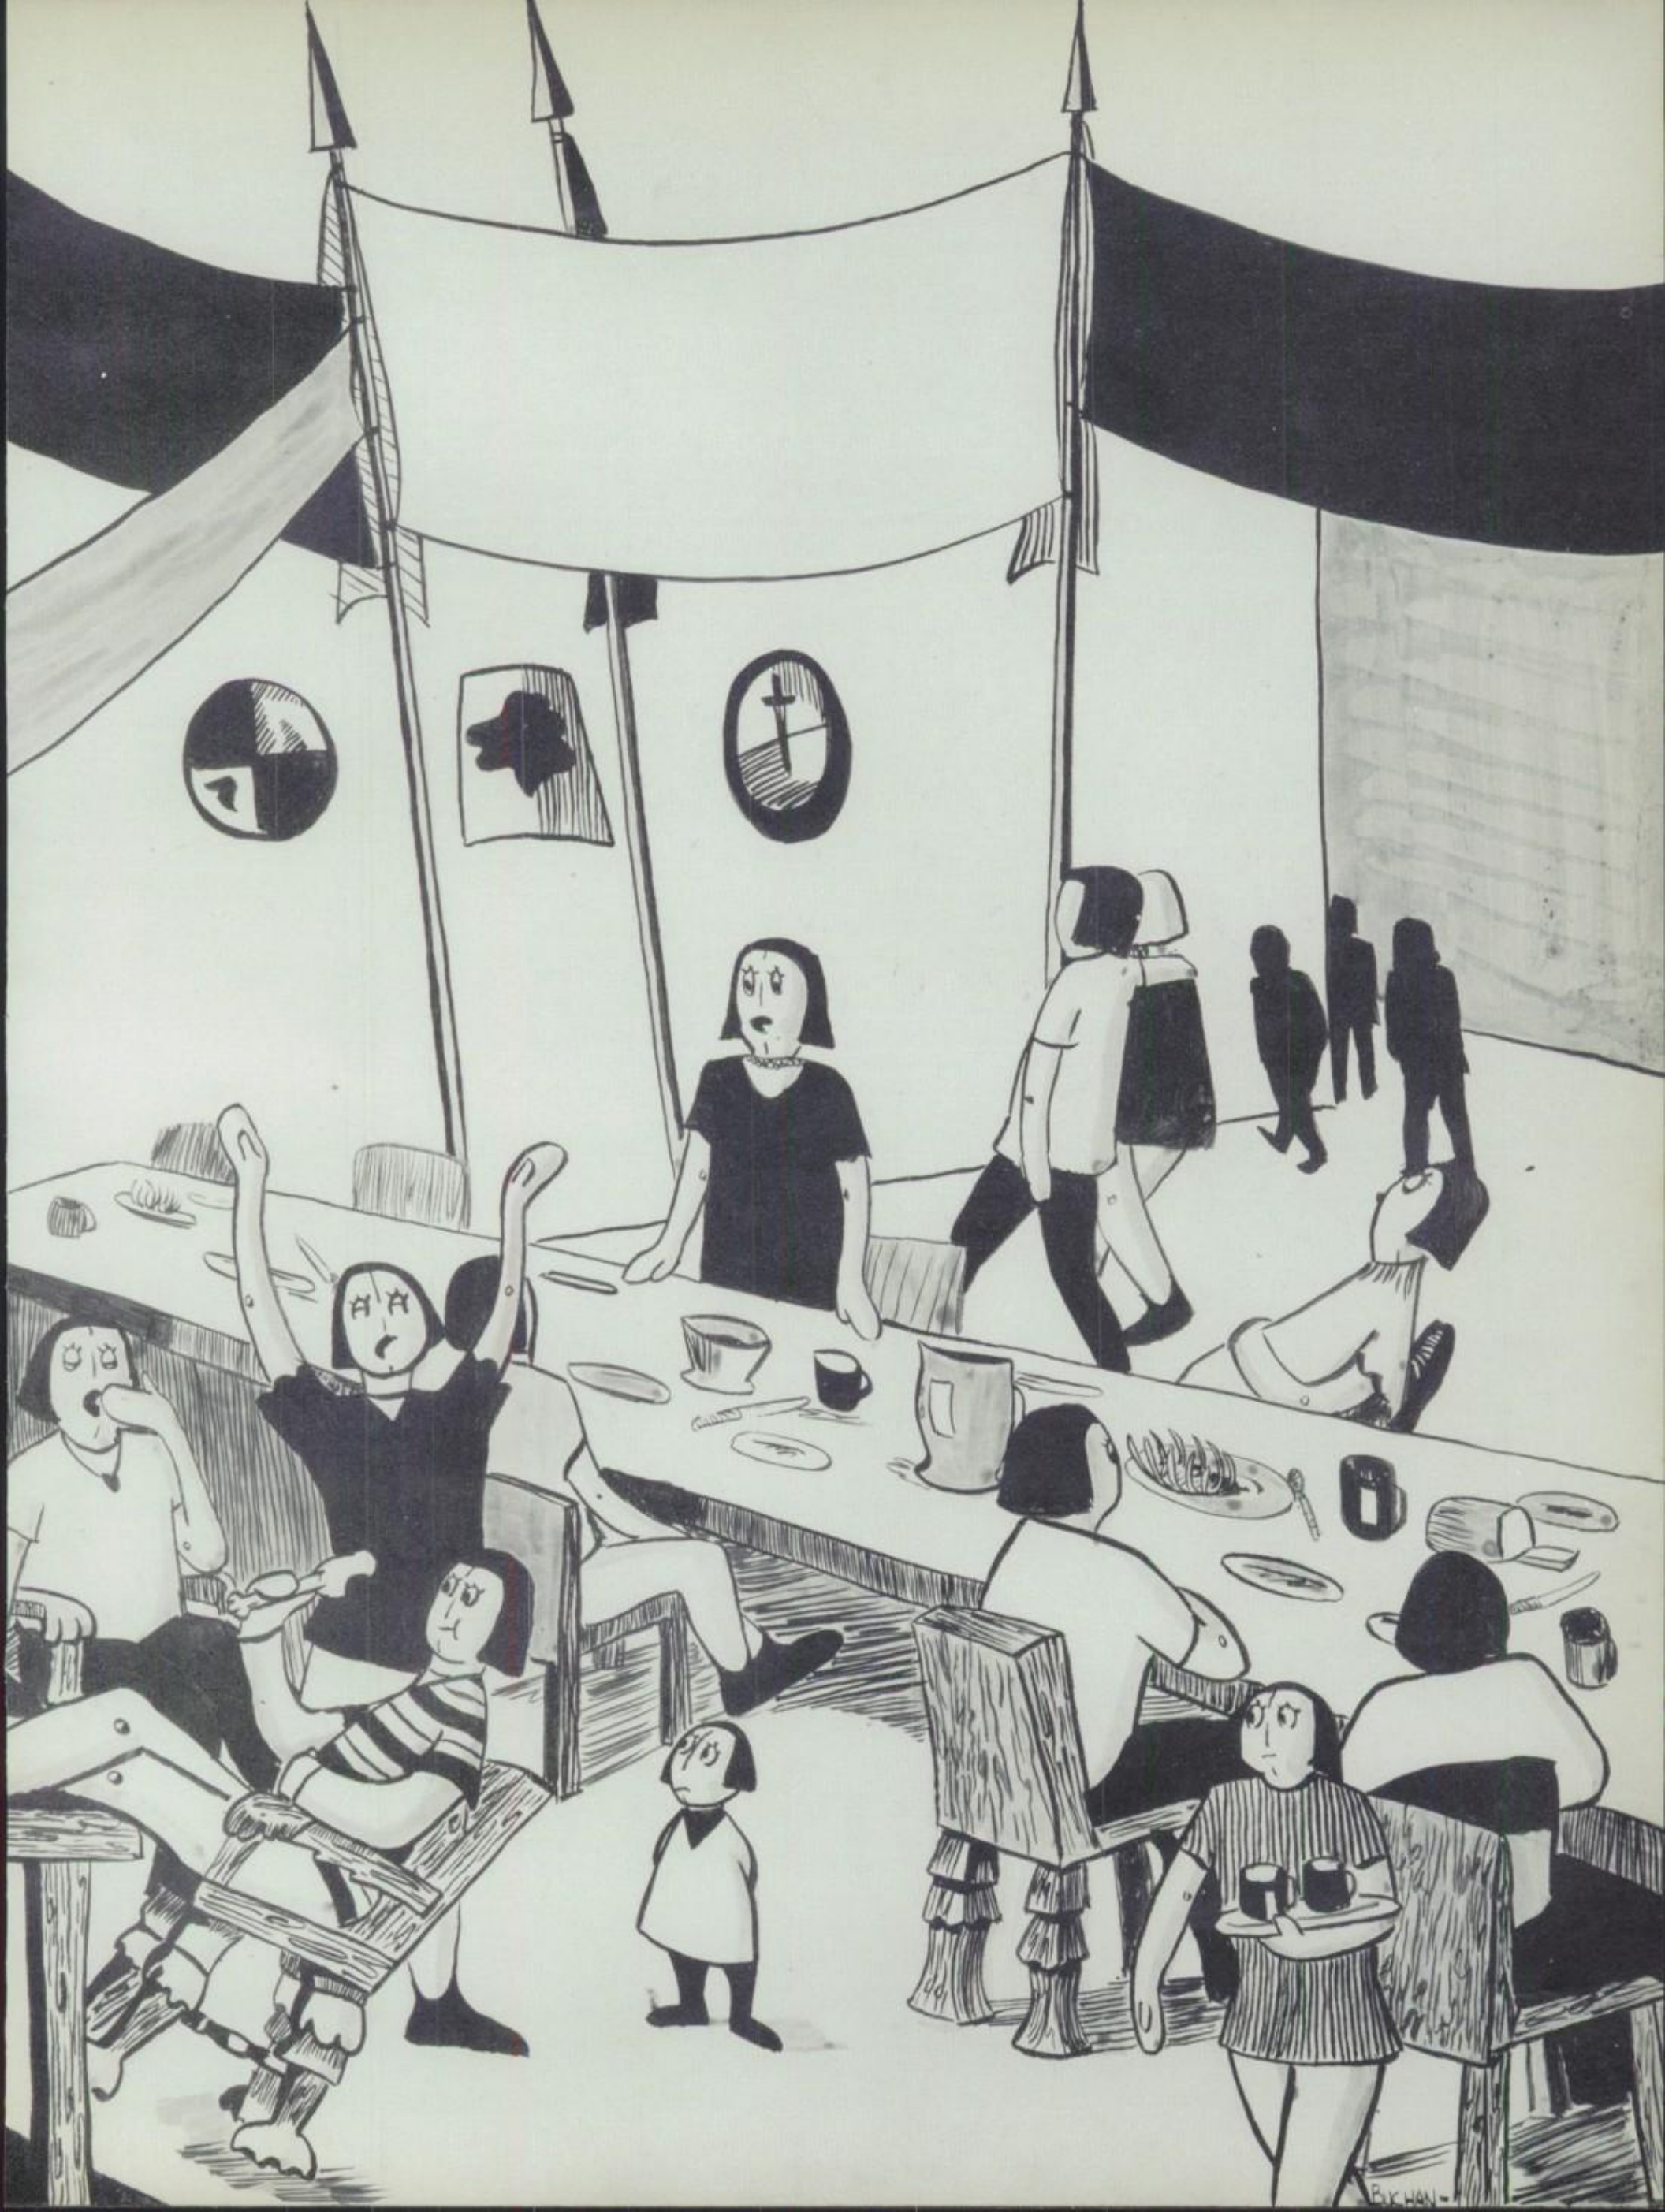

Hi Claudia,

It's been
real nice being in
some of the classes at
Lincoln with you. Remember?
our modern dancing? I guess
I owe my "B" grade to you or else
I probably would have failed. We have
had lots of good times and long talks
together? I'll see you next year.
and I hope I see you next summer?
Good luck in the future,
Vada.

Hi Claudia

Well kids it
about time that summer
is on its way. So look for
luck in the future.
Go see you this summer at
the beach.
Love
Joanne Lobbert

STUDENT COUNCIL

Student participation in the managing of the school operates through Student Council and Roll Council. Student Council, the legislative body, acts as a co-ordinator of various activities in school and as a deliberator of student opinion. It is headed by three officers elected at large, Paul Nelson, President; Bill Atwell, Vice President; and Sandra Rickard, Secretary. The other members are officers and representatives of classes, organizations, and activities. Three advisors, Miss Gerriets, Miss Moeser, and Mr. Koenig, present the faculty point of view to the councils. The purpose of the Roll Council, the secondary body, is to bring contact between Student Council and the individual student.

BOYS' CLUB

Henry Hall
Senior Rep.

Darryl Bradshaw
Senior Rep.

George Eastman
Lynx Club President

The Boys' Club is an organization open to all boys and men teachers at Lincoln. The organization fosters school spirit, and supports all the activities undertaken by the boys. The Boys' Club is headed by a Board of Control which consists of all of its officers and boys club representatives. There are five committees to carry out the different activities of the club. These committees are: Service, Assembly, Bulletin Board, Welcoming, and Drives and Sales. The Boys' Club also has a committee of roll representatives and is in charge of the fire squad. With Tony Moore, president; and Mr. Starcevich, adviser; the organization was able to promote a better understanding between the students and the teachers.

Larry Lehman
Sophomore Rep.

Fred Vaselenak

Harry Velenzuela
Junior Rep.

ASSEMBLY

The Assembly Committee is chosen by the Boys' Club Board of Control. It is the duty of this committee to outline the programs for all the letterman and Boys' Club assemblies. At the end of each athletic season an assembly is held to award to the season's athletes, letters which they have won in a given sport. Darryl Bradshaw and Henry Hall, Co-Chairmen, also plan the Boys' Club assemblies. These assemblies are generally of an educational and beneficial nature. This past year smoking and reckless driving were the problems facing the speakers at the Boys' Club assemblies.

DRIVES AND SALES

The Boys' Club sponsors many Drives and Sales during the year. These are handled exclusively by the Drives and Sales committee and their chairman, LeRoy Cheek. At the beginning of each new sports season rooster hats and decals are offered to all students. This sale is encouraged through drives, pep assemblies, the Totem and the Bulletin. School book covers are sold at the beginning of each new semester and school bus tokens are sold every other day. Besides its assigned duties this committee helps the boys to make new friends and helps co-ordinate the Boys' Club activities.

SERVICE

One of the most important committees of the Boys' Club is the Service Committee headed by George Eastman. The members of this Committee were found hard at work at football, basketball and baseball games; as well as at track meets, P. T. A. meetings, and many other functions sanctioned by the school. Composed of boys from all three classes, the Service Committee has provided a way for these boys to serve their school in little known but necessary ways. Little thanks or recognition has been given to these fine boys for their service during the year.

WELCOMING

The Boys' Club Welcoming Committee under the leadership of Gary Sedlak is in employment the year around. The members welcome new boys to Lincoln who enroll after the start of the school year. The newcomers are aided by the committee as much as possible by escorting them to their unknown rooms, introducing them to new friends, and attempting to answer their questions regarding the school and school life. The committee also sends greetings to students who are ill. It is possible to contemplate that through the Welcoming Committee the school's future leaders may be sought out more rapidly.

L. S. A.

The Lincoln Sophomore Auxiliary is a service organization for sophomore girls interested in participating in school activities. Some of this year's projects included selling pom-poms and decorating the halls at Christmas time. The largest project was L. S. A. Day, when the girls had a special luncheon and sold home-

made candy at noon. Officers for this year were Janice Englert, President; Theodora Cokinakis, Vice-President; Shari Schalo, Secretary, and Karen Bassett, Sergeant at Arms. Advisors were June Witham and Connie Kulseth, and Miss Hensel, faculty advisor.

Minute Girls

Kathleen

"Minute Girl" is the name given the Girls' Club representative from each roll. These girls meet on Thursdays, every two weeks at 8:10 in Room 101. Besides making reports on current events and activities to the girls in their roll rooms, the Minute Girls

provide a close link with the Girls' Club itself. In addition, the Minute Girls convey suggestions to the meetings, which enable the officers and committees to plan activities which will please each and every girl.

CLERICAL

The Clerical Committee working with the Publicity Committee has the job of printing and compiling the LINCOLNETTE. They also print programs and announcements for Girls' Club activities. During this past year Dona Cloud has had charge of this Committee.

BULLETIN BOARD

A vital part of the publicity for the Girl's Club is the Bulletin Board Committee. This Committee is designated to advertise the many activities which are carried on throughout the school year. The Committee is under the direction of Ann Quam and Evie Hamilton.

PERSONALITY

The Personality Committee, headed by Jo Anne Bolan, has carried out many projects during the year. The first was Personality Week, with the theme "Lovely To Look At." Another project was the Mother-Daughter Tea held early in May.

PARTY

The main duties of the Party Committee included planning the Girls' Club parties, and sometimes planning the refreshments

for the parties of other committees and groups. The committee was headed by Martha Gebert and Ann Tuininga.

TEA SERVICE

The Tea Service Committee acts as hostess for the Parent Teacher Association's evening and afternoon meetings by serving light refreshments to all members and guests. The committee is ably headed by Dimitra Jatos.

FRIENDSHIP

The purpose of the Friendship Committee is to promote friendship. Because of its large membership, the main committee, headed by Sharon Coleman, was divided into four sub-committees: Friendship Table, Sunshine, Birthday Recognition, and Scrap Book. The Friendship Table Division sponsored luncheons for girls new to Lincoln. While the Sunshine Committee sent cards of cheer to girls who were ill, the Birthday Recognition Committee designed a birthday display monthly. The Scrap Book Committee took care of typing and organizing the Friendship Scrap Book.

STANDARDS

The Standards Committee, under Betty Bergeron, strives to set up fine standards for girls. The Committee promotes the wearing of standard dress, and encourages all girls to learn and live by the Girls' Club Creed. The first drive in the fall was with the Drives Committee, the second, in the spring, was with the Personality Committee.

USHER FORCE

Usher Force is an asset to school functions such as the Talent Show, Senior Play, Senior Revue, and the Operetta, for its members give directions and

usher people to their seats.

Usher Force is under the able leadership of Donna Moore and Barbara Haehnel.

DRIVES

*Best wishes
to a swell kid
Ronnie
McAlister*

The Drives Committee, under the leadership of Sheila Callarman, has sponsored many drives during the past year. The Annual Standard Dress and Creed Drive, drives for Firlands, and drives for the service men overseas were sponsored by this committee. The Creed and Standard Dress Drive is held to interest the girls in wearing standard dress and realize the meaning of their creed. These drives have been successful due to the hard work and cooperation of the committee.

HEALTH

The Health Committee, headed by Judy Elwell, sponsored two big projects during the year. The first was the sale of caramelized apples. These apples were sold every Wednesday from October through December. The second was Health Week held during the second week of March 9-13. The theme for this project was "Rainbow 'Round My Shoulder" and featured a celery-carrot stick day, dance, assembly, and a Girls' Club party.

SOCIAL SERVICE

Laverne Bjorklund and her Social Service Committee has been kept busy during the past year helping those less fortunate than themselves. The biggest project was the Christmas Gift Box and Stocking Drive sponsored with the American Junior Red Cross.

PUBLICITY

The Girls' Club paper, the LINCOLNETTE, is edited by Gail Weld and her Publicity Committee.

Marilyn Parson heads the second part of the Publicity Committee. The purpose is to publicize Girls' Club events in the TOTEM and the daily BULLETIN.

P. T. A. DANCE

The P. T. A. Dance Committee has sponsored all the Lincoln P. T. A. Dances for the past year. They were held on the third Saturday of each month at the Greenlake Fieldhouse, from 8:30 to 11:30 p.m. The P. T. A. also sponsored the Junior Dance in December and the Girls' Club Dance in March. The Dance Committee planned the dances, made all the programs, and decorated the Fieldhouse. The Chairman of the committee was Marilyn Christy and Co-Chairman was Pat Fitzgerald.

FINE ARTS

The purpose of the Fine Arts Committee is to acquaint students with the enjoyment of theater, art, and music. The projects for this year included, posters telling of the places of interest in Seattle and candy cane favors for the teachers at Christmas time. Susie Rindler and her committee made tags for the Ballard game and distributed them at the Ballard Pep Assembly. The Committee posted pamphlets on the bulletin board at the end of the second floor hall.

DESK GIRLS

The Desk Girls are the receptionists of the Girls' Club. Welcoming visitors, and taking care of girls who are ill is their job. They're also responsible for keeping the Girls' Club room looking tip-top. Barbara Locknane was chairman.

NURSE'S AND FIRST AID

Peggy Keller's First Aid girls have kept an accurate record of all girls signing into the Girls' Club and have kept the room neat and clean, while Lois Peterson's Nurse's Aid Committee has filed all health cards and sent each student to the nurse or doctor for examinations.

The large membership of the Lincoln Honor Societies are a tribute to the fine scholastic ability of the students. All eligible students were urged, in the fall, to apply for membership. Many were accepted and pins were immediately issued. Led by Darrell Bangerter, President; Ann Quam, Vice-President; Jim Zeeb, Secretary; and Mr. Altman, Faculty Advisor, the club presented talks in the fall on colleges and scholarships, and sponsored the March of Dimes Drive in the spring.

The Senior Orchestra, directed by Mr. Stanley Weiss, is to be congratulated for its fine musical presentations to the student body. Four of Lincoln's musicians were present on KING'S Television Community Work Shop. The Senior Orchestra participated in the Christmas Assembly, performed for Hamilton Junior High students, and presented the orchestral music for the spring operetta.

Mr. Weiss

The 1953 band, under the leadership of Mr. Stanley Weiss, is to be congratulated for representing Lincoln so well during the past year.

The band played at all the football games and put on four half-time performances. Lincoln also won first place for marching in the Santa Claus Parade last November.

Activity Card Committee

The "Golden Axe", awarded to the school with the largest percentage of their student body buying activity cards, is displayed in the showcase and was won with hard work and continuous effort by the Activity Card Committee. Myrtis Rehbein capably led the committee as general chairman. Mr. Wallace Young supervised the committee as its faculty advisor. Glenda Melvin, Bill Baumgartner and Ann Quam directed the publicity which included assemblies, bulletin boards, contests, TOTEM news, and relations with Roosevelt. The filing and distribution of the activity cards was handled by the Pictures Committee led by Dee Dee Hendrickson. Selling of activity cards, and organizing the roll room salesmen was under the auspices of the Sales Committee with Margaret Mattson as chairman. Although Lincoln secured the "Golden Axe", the job would have been impossible without the excellent co-operation and support of the students and the faculty.

TOTEM WEEKLY

The TOTEM Weekly staffs of 1952-1953 concentrated on one main theme in publishing the school newspaper. Re-organizing and integrating the many staff duties was the foremost thought in the minds of the editors. A constant effort was made to co-ordinate the news staff, the advertising staff and the business staff. It involves almost all phases of running a complete business and handling sums of money through advertisers and subscribers to the paper. To work on the staff of a school newspaper and to advance according to one's interests and abilities is one of the most worthwhile experiences offered a high school student.

T DAY

For weeks in advance the T-Day committees planned Lincoln's greatest T-Day celebration. The appearance of Don Brown and Marilyn Spurr as Mr. and Mrs. Lincoln at the play, by the drama department, was an awaited moment. At noon a special luncheon and program was enjoyed. The climax to a fine day was the T-Day Dance.

The Annual Staff was chosen in June by Mr. Pritchard, its advisor. In September the staff visited Zellerbach Paper Company to see the Warner collection of annuals. Four members of the staff attended the Annual Conference at the University of Washington. Here they listened to talks by other school advisors and compared notes with other annual staffs. The editors then set up their own dummies and layouts were made. From these your 1953 TOTEM ANNUAL was created.

Dotty Provine
Chairman

Lincoln's first annual Homecoming celebration was held on November 7, the date of the Lynx last football game of the season. It was celebrated to honor Lincoln alumni and to end a successful 1952 football season. Dotty Provine, Pep Club Veep, was chosen as chairman of the event. The festivities began early in the morning by a Pep Assembly planned by Ann Quam and her committee. Noon activities featured a football banquet for the team and coaches, and a special football lunch and assembly. Wally Nelscog

from station KRSC was emcee at the assembly. Barbara Locknane acted as chairman for the noon events. After the game everyone trooped off to the "Homecoming Hop." Highlight of the evening was the crowning of Bob Herring and Dotty Provine as Homecoming King and Queen.

Everyone agreed our first Homecoming was one of the most successful events planned at Lincoln, and just the first of many more such activities to come.

Debate

The integrity of the Lincoln High Debate squad was upheld, true to the best tradition by the 1952-1953 debate class. Mr. O'Brien skillfully coached the squad in debating techniques, enabling them to breeze through difficult interhigh topics, "Preservation of our National Resources," and "What Form of World Government Should We Support." The class was conducted in an easy going informal manner and good humor as well as good oratory flourished. The class was indeed a credit to Lincoln.

"The Great Big Doorstep"

Bob Polasik

The annual senior play, "The Great Big Doorstep" was presented December 4, 5, and 6.

This comedy, with its humorous scenes of the family life of the Crochets, depicted clearly the fears, joys, and sorrows of a French mother trying desperately to keep her family together. The life of the family centered around an ornamental doorstep which once belonged to a wealthy plantation. From the day the Crochets fished the doorstep from the river, it had become a symbol of the things they wished to have.

To each member of this desolate family the doorstep had a special meaning. To the father it was a symbol of good luck. To Mrs. Crochet it was her dream of keeping her family together. To the eldest daughter, Topal, it was a constant reminder of the things they didn't have. To Evie, the fifteen year old, who diligently scrubbed them, they brought the feeling of being a fine lady. To the twins it was the grandest thing they had seen, but to Arthur, the one who fished the doorstep from the river, it had no meaning.

This play was excellently cast with each actor doing his part to do a convincing, sincere performance.

Mr. Pollette's fine direction and long hours of hard work paid well in audience appreciation.

Talent Show

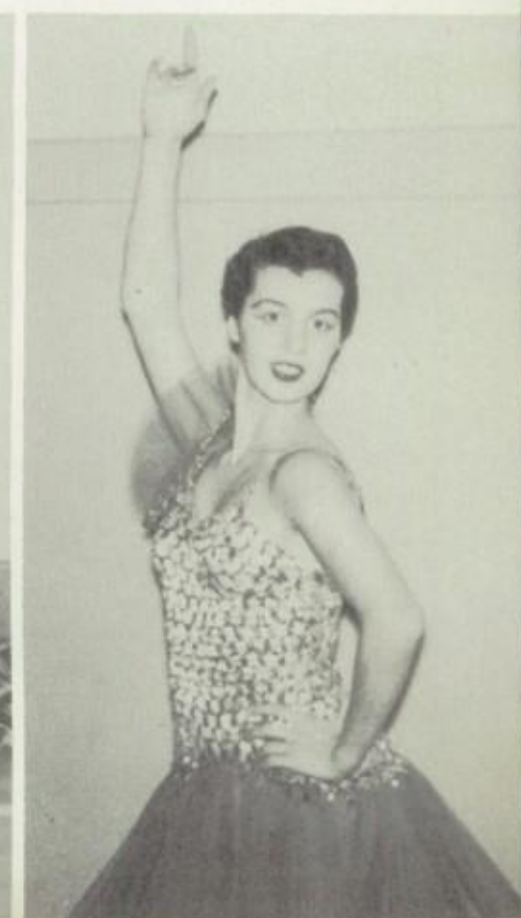

Dave LaQuet and his magic tricks mystified everyone. The secrets remained unknown as everyone tried in vain to discover the little catches which defy the eye.

Delores Barclay, Gail Campbell, Barbara Kimbrough, Margaret Phillips, and Judy Turner provided a light spot in the program. A different twist which proved very interesting was given to the dance line procedure and made for one of the hits in the show.

A talented singing duo on the program was LeRoy Matthews and David Harwood. The boys presented songs of old, cowboy, and modern, popular songs. Quite a variety of songs which were well appreciated by the audience.

Sharon Squibb, Shirley Tarbox, and Diana Ritter were a few of the girls in a dance line which was enjoyed by all. New, novel steps were presented in an interesting and intricate manner.

Once again Lincoln thrilled to the excellent dancing of Diane Lembo. This talented Lincoln Lassie once again performed one of her spectacular dances which every one appreciated.

"Hit the Deck"

The combinations of the two departments, music and drama, produced a rollicking comedy, "Hit the Deck." This seafaring operetta featured sailors, mamies, and flirtatious girls. After the grand performance many students were heard roaming the halls humming such old time favorites from the production as "Lulu," "Join the Navy," "Lucky Bird," and "Hallelujah." Romance and comedy provided entertainment for all when sweet unspoiled girls fell for boisterous sailors just on leave. Convincing Romeos told their love stories in romantic words as beautiful girls answered in lilting melodies. Chorus lines and comedians added an extra attraction to the already amusing and entertaining production. By the end of the performance the audience had agreed that the second annual operetta was the most fascinating review produced by students of Lincoln High.

With Barbara Haehnel, President; Bob Brown, Vice-President; and Mr. Kimball, Faculty Advisor, the German Club has had a busy year. The

Athletic Council

The Lincoln High School Athletic Council is composed of eighteen outstanding lettermen who are chosen by the incumbent members of the Council and the Athletic Coaches. The prime purpose of the Athletic Council is to maintain and enforce high athletic

ideals among all athletes in the school. The officers for the past year were Darryl Bradshaw, President; Henry Hall, Vice-President; Pete Mansfield, Secretary; and Boyd Givan, Treasurer. The faculty advisor was Coach Bill Nollan.

Study Hall Checkers

Kathleen

The girls and boys working in both the Auditorium and 118 proved to be a great help to the extremely busy study hall teachers.

There were numerous jobs which these students

carried out effectively, such as; taking roll, guarding the doors, and checking slips.

Students earned $\frac{1}{4}$ to $\frac{1}{2}$ credit for the semester for their service to Mrs. Wolfe and Miss Weigman.

HALL PATROL

The Hall Patrol is composed of Junior and Senior boys who are recommended by their teachers because of their grades, co-operation, and dependability. The purpose of the Hall Patrol is to prevent students skipping classes, to serve as guides for visitors to Lincoln, and to prevent stealing from student lockers. Each member takes his post at the beginning of the period and checks the hall passes of every student in the halls.

STREET PATROL

Stopping the traffic in the streets behind Lincoln during the lunch periods every day is the job of the Street Patrol. Under the direction of Mr. Kidrick, Jerry Shiflet, Jay Kramer, and Wilf McAllister, have done a very efficient job.

MOVIE SQUAD

You may have wondered who the cruel boys are that turn off the movie cameras in the middle of an interesting noon show. These are the members of the Movie Squad who are performing one of their many services to Mr. A. P. Johnson, advisor. Other jobs are operating machines, showing slides and films for school organizations, and taking care of the money received from the noon movies. The captains are Jack Garvin and Chet Smith.

MIKE SQUAD

The Mike Squad under the student leadership of John Heilbrunn and Mr. Roys, faculty advisor, provided all the sound and lighting used in the assemblies and student productions. The Squad also provided music at all dances and programs held in the lunchroom and the gyms. The Talent Show, Senior Play, Operetta, and assemblies all depend on the Mike Squad for their success.

STAGE SQUAD

With the experience of Mr. J. Pollette the Stage Squad provided excellent settings and backgrounds for all stage productions. The Stage crew is needed at even the simplest assembly or stage production. Pep assemblies, speakers, the Talent Show, Senior Play, and the Operetta all require the assistance of this able and willing group.

FIRE SQUAD

When a fire bell rings, the first to see that all the rules and regulations are being obeyed are the members of the Fire and Earthquake Squad. The Squad is under the direction of Jim Ellis and the Boys' Club. The efficient members maintain responsibility for the conduct of all students and provide for their safety. Through excellent co-operation, the safety of the Student Body is insured in the event of a disaster.

TICKET FORCE

The Ticket Force, is led by Harry Browne and Mr. Scheele, faculty advisor. Have you ever wondered who punched your activity card at the football games, sold tickets to all the school productions and activities, sold tickets at the basketball games and collected tickets at the door? It was a member of the efficient Ticket Force. Many valuable services to Lincoln have been performed by this committee.

USHER FORCE

The Usher Force under the direction of Mr. Kidrick, has done a splendid job at school productions, athletic events, and assemblies. The Usher Force had proved to be a valuable asset to Lincoln. The boys serving on the Usher Force this year are to be thanked for the fine job they have done.

LIBRARY

The students working in the Library have many duties that offer Miss Eastman assistance. Among these duties are; working at the desk and reading shelves, mending books, taking care of reserves, guarding the doors, and running errands.

COUNSELLORS' OFFICE

Clerical work, filing programs and grades, and taking care of the many pamphlets and books concerning colleges and universities, which may be checked out by students, are a few of the many duties confronting the students, helping in the Counsellors' Office. Mr. Cochran and Miss Orrell, Counsellors, and Miss Lavier, clerk, have been greatly assisted during the year by these capable students.

ATTENDANCE OFFICE

Every semester several girls sign up for work in the Attendance Office. These girls give Mrs. Baker, faculty member, capable assistance. The many services the girls perform include; collecting green slips and distributing them to the study halls, marking attendance cards, issuing tardies and early dismissals, calling the homes of the absentees, and handling the legal procedure of students dropping school.

MAIN OFFICE

The people working in the main office are very important in school functions. They file program cards, keep grades in order, handle money, etc. Mrs. Washburn, Mrs. Davies, and their competent staff keep the main office in smooth running order.

ET CETERA

The staff of the ET CETERA, creative writing magazine, is selected annually from the creative writing class. The cost of the magazine, 35 cents, is given over to the printer to defray other costs of the magazine. Material for the magazine is usually the most select from the creative writing class, but anyone can submit material for consideration.

SKI CLUB

Ski Club leaders for this year were Clinton Pelto, President; Miles Yanick, Vice President; Art Hunt, Secretary; Bill Atwell, Treasurer; and Mrs. Jerry Helman, P. T. A. representative. The Ski Club sponsored a ski team which participated in many invitational events. A dance "Ski Pole Prance" was held after Lincoln's Day at the Times Ski School, at which Clint Pelto and Jo Anne Bolan were chosen King and Queen.

PEP CLUB

Pep Club's purpose is to boost Lincoln's sports program. With the help of lively pep assemblies, the songleaders, and yell squad, Lincoln's first Homecoming celebration, and, of course, the student body, Pep Club has helped to produce the finest school spirit and show of good sportsmanship ever seen at Lincoln. Officers for the year were: Kay Peck, Dotty Provine, Susie Rindler, Pat Sarver, Lois Peterson, and Martha Gebert. Mr. Kidrick is the Club's faculty advisor.

BANKING COMMITTEE

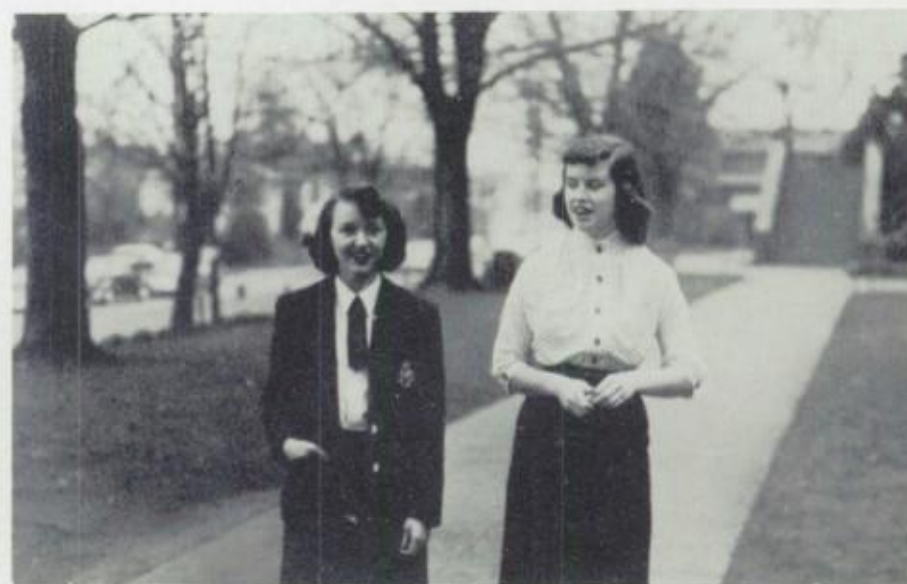

A vital part in education is learning to save money for future use and emergencies. Opportunities are provided at Lincoln to bank money every Tuesday morning. Mr. Hassenmiller has been Faculty leader for this important committee. Jean Matthewson and Doris Kaltbrunner collect the bank envelopes from all the roll rooms and ready the deposits for the bank messenger to collect.

QUILL & SCROLL

Quill & Scroll is an "International Honorary Society for High School Journalists." Three groups in high school may activate membership in this organization, the TOTEM staff and news reporters, the TOTEM ANNUAL staff, and the staff and writers for the ET CETERA, creative writing magazine.

ART LIBRARY

A source of great pride at Lincoln is the Art Library, the only one of its kind in the city. Miss Kinnear, Faculty Advisor, has available reference material on medieval and modern art and culture. Student helpers check out books and pictures, take care of hall cases, and assist fellow classmates in finding books and magazines.

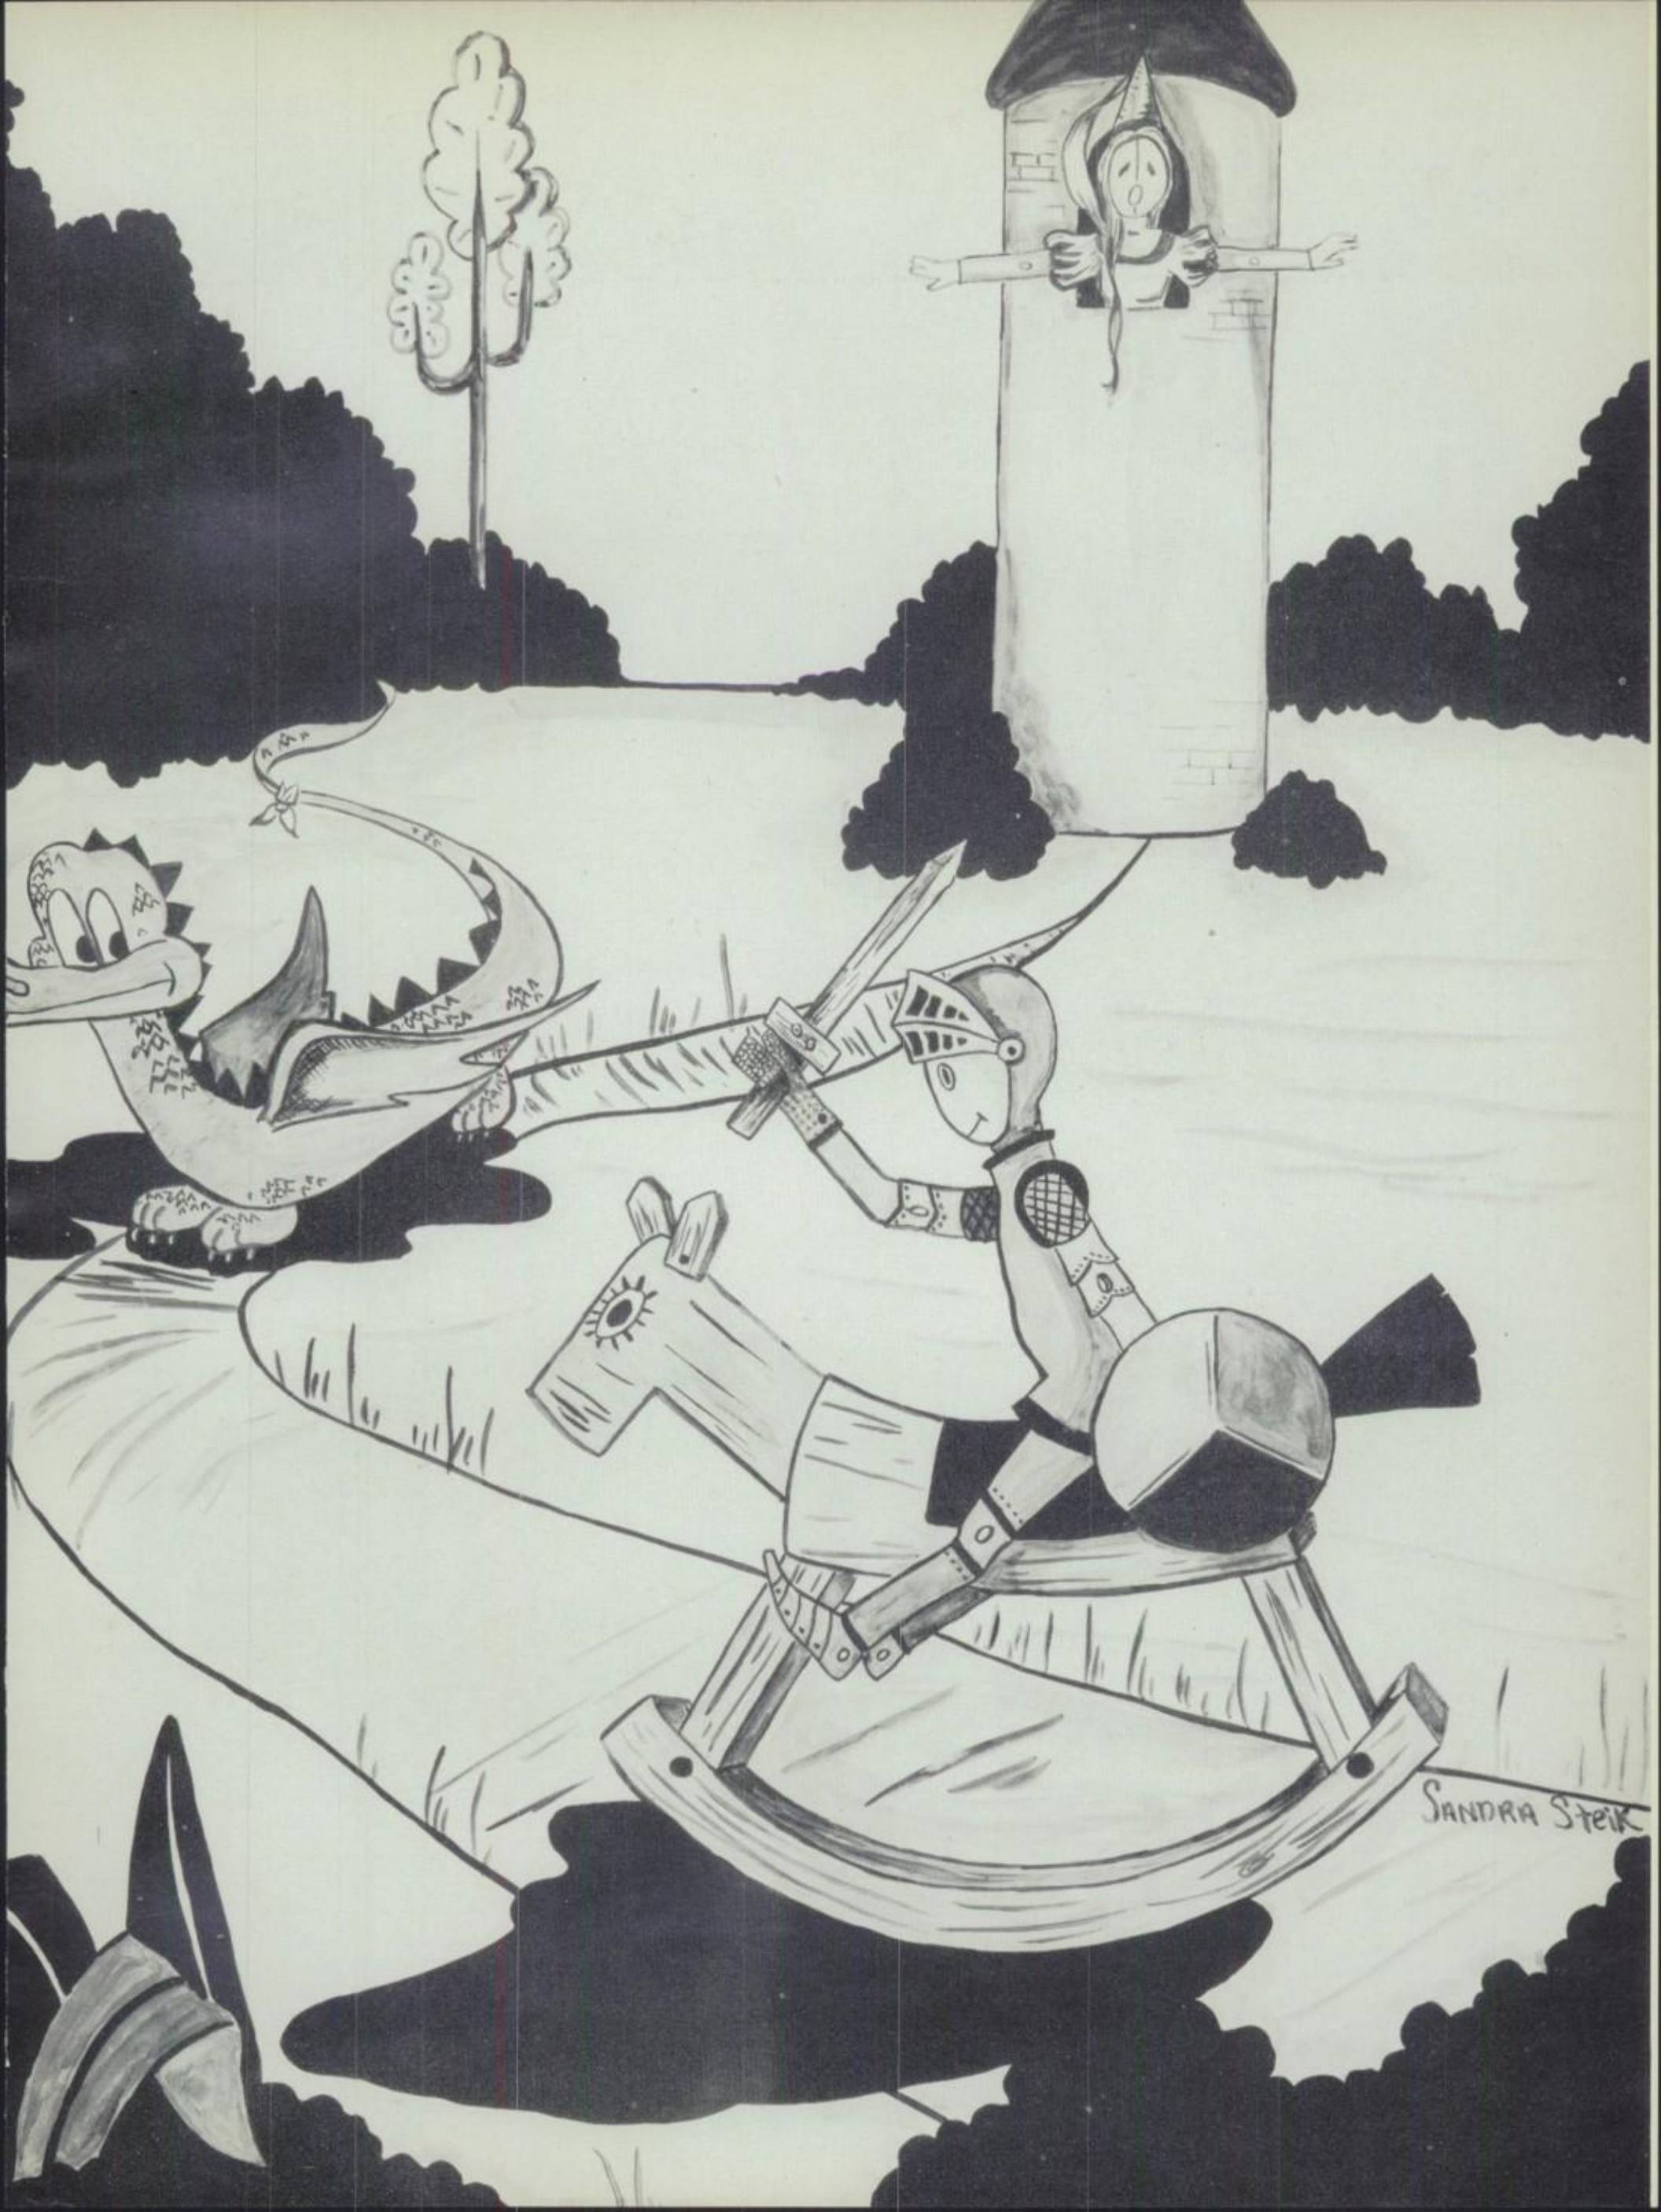

SPORTS

Dear Claudia,
It sure has been fun in
gym this year, hasn't it? I
still say you're an awful
privileged gal to have gotten
the car at Lower Woodland and
been able to take it easy on the
way back to school!

Best of Luck this Summer!

GIRLS' SPORTS

Mrs. Hakola

Miss Moeser

Mrs. Hull

Miss Stevens

The Girls' Gym is a very active spot in Lincoln during the entire year. A full program of sports and related activities is offered to every girl in the school. Volleyball, Basketball, and Baseball are offered at the appropriate season of the year while Tennis, Badminton, Golf, Bowling, Swimming, Tumbling, Folk dancing and Modern dancing are offered the year around. Miss Moeser and her staff have made each class and sport

activity interesting to every girl participating. Miss Moeser and the Girls' Gym aided the songleaders in their activity. These lively girls could be seen any sixth period making up new and practicing old routines until the polished performance given the students was accomplished. The girls' sports program at Lincoln offered every girl excellent opportunities to participate in many diversified sports activities.

Basket Girls

The friendly girls in the basket room each period of the day and after school have many varied and interesting duties. Being of service and help to the gym staff is their primary purpose, and taking roll,

giving out gym baskets, collecting baskets and keys are a few of the particular tasks assigned these able and willing girls. Each basket girl spends an hour every day in the basket room, thus, she is able to be of complete assistance to the gym teachers.

BIG L

Big L is composed of Junior and Senior girls who have earned a sufficient number of points by turning out after school for various sports activities. Also during the year the girls' letter clubs participate in many All-City activities, including the All-City Sports Festival.

The primary purpose of BIG L is to promote sportsmanship among the girls of Lincoln. Leading the group this year have been Charlotte Dowman, President; Sally DeJarnatt, Secretary; and Miss Moeser, Faculty Advisor.

LYNN COACHES

BILL NOLAN

Lincoln's football and baseball coach, Bill Nolan, having a successful career at Lincoln, is the envy of many a lad starting out in a life of athletics. The football team of 1952 presented him with a tape recording of their sincere feelings; a fine way to show lasting appreciation.

NORM DALTHORP

A good coach and a former U. W. basketball captain---that's our Norm Dalthorp. Being an experienced Lincoln basketball player, he learned the best methods of coaching and how to win the favor of his team. This knowledge led the 1953 Basketball Team to a high place in city competition.

JAY DISHNOW

Training players for possible varsity positions was the main duty of Jay Dishnow as intermural and third team basketball coach. He gave the new aspirants the grim determination which they needed to become first team players. He also organized a swim and bowling team.

STARR SUTHERLAND

Starr Sutherland has had two jobs; one teaching history and the other coaching tennis. His grim determination in the tennis matches has kept the spirits of the team high during all difficult situations and has helped to inspire the team to win.

BYNG NIXON

This year's varsity track aspirants held high hopes of breaking all-city records through the able coaching of Byng Nixon. He also gave his effort and talent to another sport in the fall, second team football which he coached to a high place in city standings.

L. W. JOHNSON

Lincoln's golf coach is a very versatile person. Besides his valuable golf knowledge he also teaches chemistry and has charge of a study hall. Through all kinds of storms, in the golf world, L. W. Johnson's fighting spirit has helped the squad to victory.

The 1953 edition of the Lincoln football team was built around eight returning lettermen. Three back-field and five line candidates from the fourth place team of 1951 were back. The team started practice a week before school started in preparation for their first game. On September 19 the Lynx were pitted against the Franklin Quakers in the annual East vs. West Jamboree. The Quakers were the preseason favorites to win the league championship.

After the Jamboree the Abes had five days in which to prepare for their first game with Cleveland.

On the 25th of September the Lincoln team went into the Cleveland game with high spirits. In the second quarter Rod Hilderman went straight up the middle for a T D and gave Lincoln a 6 to 0 lead. Rod added another T D in the third quarter giving the Lynx a 12 to 0 advantage. Another T D was scored when Bob Herring broke loose for a 62 yard run.

There was outstanding line play by Pete Hansell, Henry Hall, and Darryl Bradshaw.

Final Score: Lincoln 18--Cleveland 0

The second game of the season for the Lynx was with the West Seattle Indians. From the opening kickoff to the final gun it was the Lynx all the way. Bob Herring personally accounted for the Lynx 100 yards by rushing and the rest by passes.

Final Score: Lincoln 41, West Seattle 6

The next opponent for the Railsplitters was the Garfield Bulldogs. This game was the exact opposite in the first and second halves. The Lynx took the opening kickoff and started on a drive to a T D, paced by, Rod Hilderman, Doug Houk and Bob Herring. The second score came in the second quarter after a see-saw battle. Herring took the handoff over guard and went 60 yards for the score.

The second half brought about a different picture with Garfield being more powerful. Smith scored on a sustained march and Schaab's kick was good. Later Wayne Brooks took the ball over for the equalizer.

Late in the first half Doug Houk suffered a nerve injury which sidelined him for the season. Don Lundberg was outstanding at an end position, defensively, for the Lynx.

Final Score: Lincoln 13, Garfield 13

The Lincoln eleven met their first defeat of the season when they played the Roosevelt Roughriders.

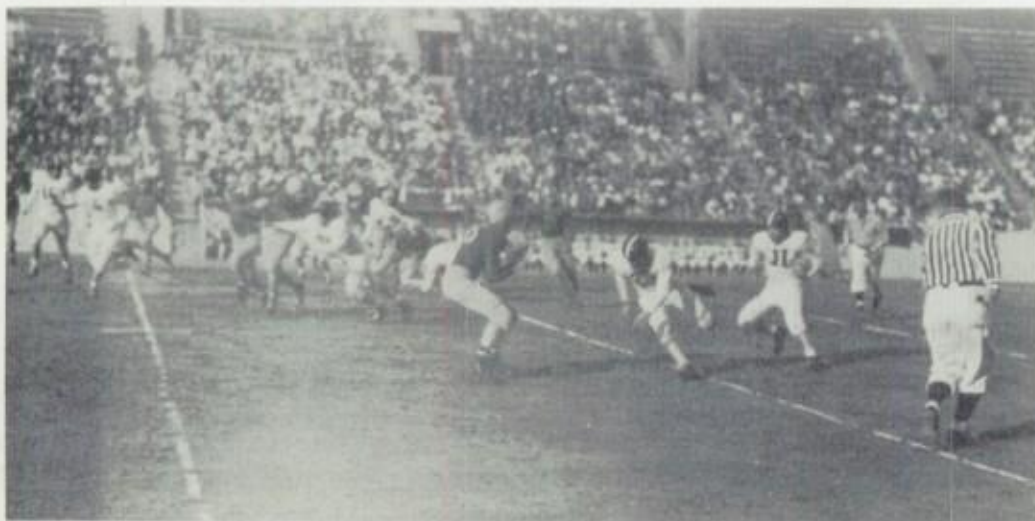

The first score came on a 23 yard run by Roosevelt halfback, Arnie Young. Later in the game, Young tallied the second touchdown on a 70 yard run. This came as a result of a Lincoln fumble recovered by the Teddies. The first play after the recovery sent Young over the goal line.

Bob Herring turned back a Roosevelt drive by intercepting a pass inside Lincoln's 10 yard line.

In the closing moments of the game the Lynx took to the air and completed three out of four passes to give them the ball on the Teddy 32. These three passes were good for 50 yards. On the last play of the game a pass thrown by Bill Squibb was intercepted.

Final Score: Lincoln 0, Roosevelt 12

After a discouraging defeat at the hands of Roosevelt, in which Bob Herring was injured, the Lynx found their next foe to be Queen Anne. The Grizzlies considered weak in preseason forecasts, proved to be a tough and rejuvenated squad. The first half proved the teams even. A Q. A. drive was stopped when Frank Wakeland intercepted a pass and ran it out to the 11.

Late in the second half a 24 yard pass put the ball on the Lynx 29 yard line. Then Ron Pike broke loose and scooted to the Lincoln 9 before being tackled by Ray Christianson, who in the process jarred the ball loose. The pigskin rolled across the Lincoln goal line where Quinn Redeker fell on it for the game's only TD.

Final Score: Lincoln 0, Queen Anne 6.

After defeats at the hands of Roosevelt and Queen Anne, Lincoln entered the Franklin game hoping to beat the high flying Quakers. The first half of the game showed promise of a real battle as the Lincoln defensive team played inspired ball and consistently held the Quakers for downs. A long pass from Jon

Wamba to Babe Bates brought the first Franklin score. The Lynx, spearheaded by Bob Herring and Rod Hilderman, came back strong, but the drive was halted on the 5 yard line by a fumble. The first half score was 6 to 0. in favor of Franklin.

The second half was an entirely different story. The Quakers ran roughshod over a Lincoln team that just ran out of gas.

Final Score: Lincoln 0, Franklin 33

The final game of the season brought Lincoln's first homecoming forth and the Ballard Beavers as the foe.

With high spirit the Lynx received the opening kickoff only to have a fumble recovered by the Beavers. Minutes later Ballard had put themselves 6 points ahead of the Lynx. But the Lynx were not to be denied. On a sustained drive the Abes went over from 1 yard out. The score at halftime was 6 to 6 deadlock.

At the start of the second half Bob Jellesed recovered a Ballard fumble and gave the Lynx a golden opportunity to score. But a fighting Beaver eleven held for downs.

In the fourth quarter the Beavers marched 51 yards to pay dirt.

Final Score: Lincoln 6, Ballard 12

The final gun of the Ballard game brought to a close the High School football careers of 15 Lincoln players and it ended the 1952 Lincoln High School Schedule.

2nd and 3rd Team Football

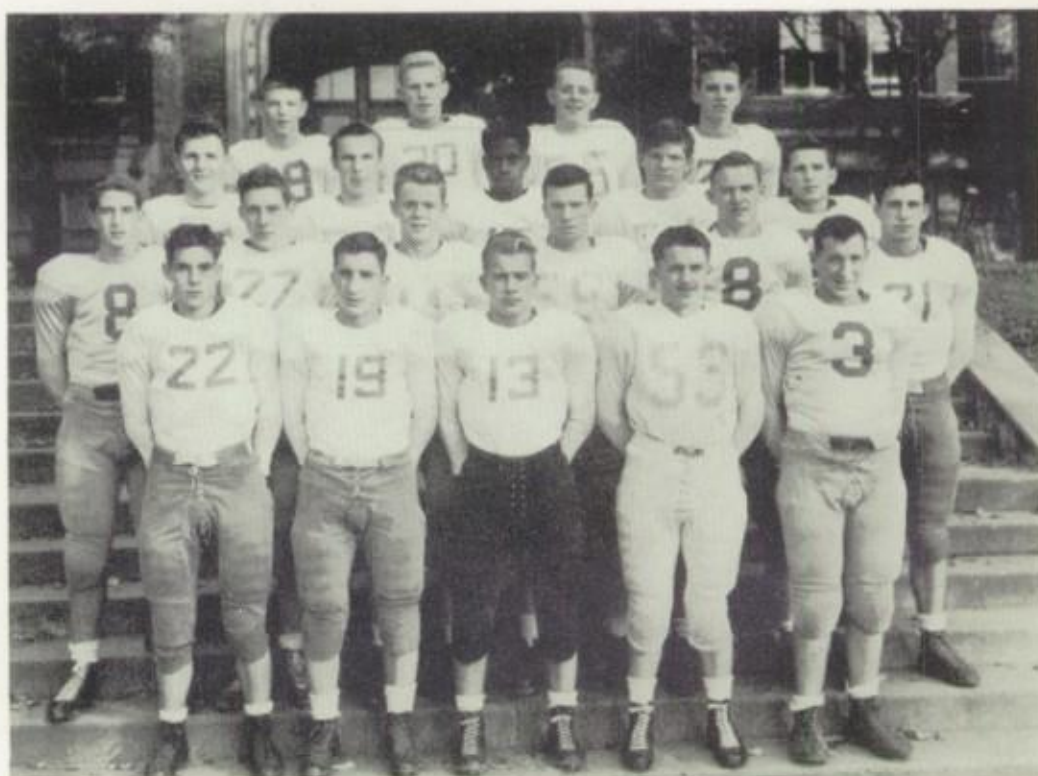

1st row: Larry Pitts, Al Starkenburg, Mike Dona, Sid Arrowsmith; 2nd row: Doug Nelson, Warren Christianson, Chuck Kennedy, Ed Kearney; 3rd row: John Salenjus, Jim Hanson, Ron McAllister, Harlan Lahman, Coach Byng Nixon.

The second team finished the season in a tie for third place with a record of four wins and two losses. These boys showed a fighting spirit and a determination to win.

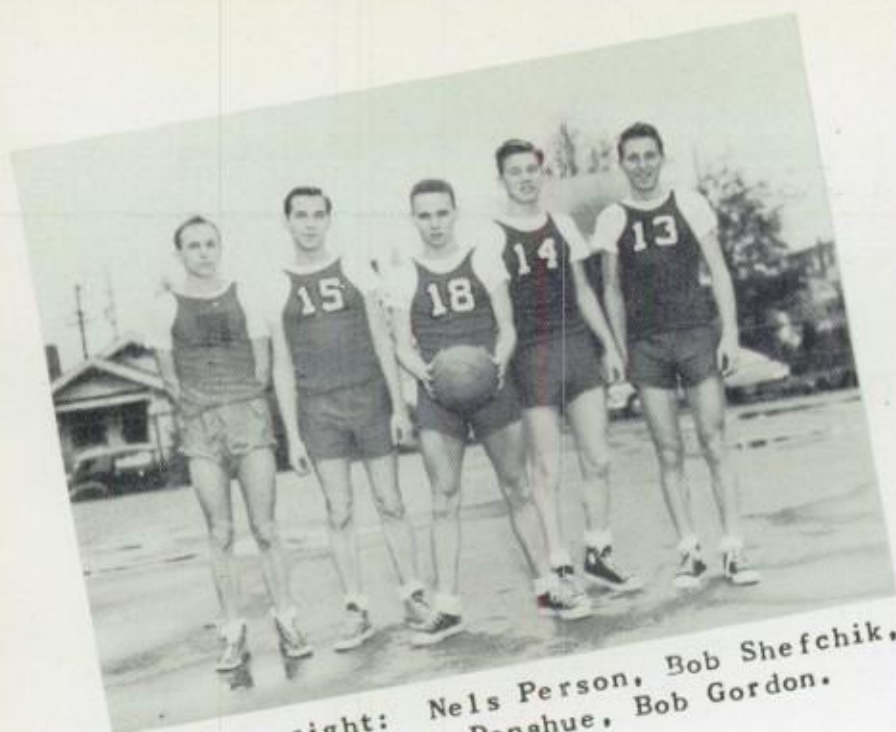

The second team provides more seasoning for players not quite able to make the Varsity and also supplies them with reserve strength which the Varsity could not do without.

The third team, coached by Norm Dalthorp, finished the season in fourth place with a seasons record of four wins and two losses.

The primary purpose of the third team is to give the Sophomore boys their first experience in inter-high competition and to get the boys to play as a team. When the Varsity and second teams come through with championship teams, it is partially due to the training the boys have had on the third team.

1st row: John Stipek, Walt Smith, George Heys, Walt Thompson, Loren Carlson; 2nd row: Bill Jacobs, Fred Miller, Paul Stoddard, Bill Buckwalter, Milt Magee, Stan Whitby; 3rd row: Ron Haroldson, Ron Warren, Archie Herring, Scotty Hendricks, Al Jacobson; 4th row: Bill Brice, Lee Demick, Dave Nordstrom, Gary Worberger

Left to right: Jack Eastman, Pat Huey, Guy Vernon, Jim Miles, Bob Burdett.

INTRAMURAL SPORTS

The Intramural Sports give the boys who are not able to make the squads a chance to gain experience. These sports gain a lot of competition within the school.

The boys have a chance to gain a position on the team whenever a boy can't stay on the team because of his scholastic standings. A boy who is outstanding in intramural sports may be advanced.

These boys are under the guidance of Mr. Jay Dishnow.

This year the Lincoln Golf Team, coached by Leslie W. Johnson, looked forward to a very successful season. The squad was aided by the fact that five previous lettermen returned to play this spring. Many new prospects were also turning out.

Mr. Johnson has worked very hard to promote golf in Lincoln, not only by working with school golfers, but by setting up displays to further interest in the student body. It is through his devoted work that the team outlook on this coming season was bright again.

With a team featuring five returning lettermen from the '52 squad, the 1953 team was recognized a strong contender for the championship being defended by the Roosevelt Roughriders.

The Lynx Rocketmen lost two lettermen from the last season's sixth place finish.

This year Coach Stan Sutherland is hoping for a well-balanced team that will finish in the first division.

'53 BASEBALL

The 1953 Baseball team had a returning squad that would put a letterman at every position in the infield, including the catching job.

Returning from the last '52 squad were infielders Jerry Jones, Danny Robinson, Bob Romstead and Pete Mansfield; catcher's Ray Christianson and Clarence Nordquist; outfielder Doug Houk and pitchers Jack Murphy and Ray Swanson.

An over all picture of the squad showed it to be strong in all departments.

If these boys put out to the best of their ability, they should easily wind up in the first division.

3rd row: Rod Hilderman, Atis Petersons, Bob Gordon, Don Anderson, Jim Hill, Harlan Lahman, Jerry Rasmussen, Dave Harwood, Libero Cerrutti, John Briggs, Bob Roaf, Cameron Schoeggl, Bert Bender

4th row: Phil Sedlacek, Frank Lucci, Jim Bannowsky, Fred Miller, Bill Witham, Ron Kinner, Mike Dana, Jerry Isaacson, Sid Arrowsmith, Ken Henning, Miles Yanick, Dick Rovig, Jim Richards

The track squad, after finishing third for three years in a row, turned out another well-balanced team for '52.

With good distance runners in Atis Peterson, Jerry Rasmussen and Fred Rostian, and a good high and broad jumper in Dick Jones the Lynx were out to find themselves a first place position.

At the start of the campaign, all of Coach Nixon's problems laid in finding someone who could take over the sprint races and the hurdles.

As the All-City Track Meet drew nearer, the Lynx thin clads looked to be in fairly good condition.

Hi Claudia,
so I guess you
finally got yourself a car.
Good Deal. We've gone thru
a lot together but it was enjoyable.
If you down at Green Lake
this summer I'll no doubt
see you. Keep smiling &
keep your chins up. Love
and stuff,

Hi Claudia,
I have been so much this
year, but that better than being
stuck in Robinson's class. Sure
they make it some class
together next year. Have a
nice summer and see
you in the fall.
Sweet wishes,

Dear Claudia
We've had lots of
fun together in
French. Good
luck in the
future.

Dear Claudia,

Dear Claudia,
Well, we've been friends for a long
time, now; seems like ever since we discovered Ann Patterson
we both liked M.L. Tennis and swimming together have
been tons of fun; as has diving and washing your car.
But now you're quite the gal, with the fellows anyhow,
and that's while I quietly saw out of the picture.
Now you've got your very own car, distributor cap,
brakes all around. And some day get yourself a new
Studebaker (1961 model maybe)
Well, I'll probably be sure you around this summer.
seeing as we live so close. I'll drop you a card
from L.A. (yes, its my turn this summer).
Don't do anything you shouldn't. I'll be seeing you around.
Love,
Pammy

Dear Claudia,
nice knowing you
this year & hope
to see a lot of
you next year!
Good
luck,
Mrs.
